Vodacom bursary online application form 2019

The Vodacom Foundation is the corporate Social Investment (CSI) branch of Vodacom. The foundation leverages the vast technological potential of Vodacom to improve the lives of the people in Vodcom. Our aim is to connect people, create possibilities and change lives. With cutting-edge technology and a can-do attitude, the Vodacom Foundation has invested on R1 billion rand in various programs that have made a considerable impact in improving education, bringing quality health care to rural areas and supporting the fight against crime and violence. Bursaries SA Electrical Engineering, engineering by Bursaries, IT Bursaries Vodacom started in 1993 when the company was awarded a license to operate a GSM cellular network in South Africa. It provides a variety of communication services such as mobile voice, messaging, data, financial and converged services. Vodacom's network business has reached operations in Tanzania, DRC, Mozambique, Lesotho and Kenya. Vodacom founded the Vodacom Foundation as a commitment to giving back to communities. The foundation focuses on better access to education, health and safety. To contribute to better access to education, Vodacom launched the mobile education program that provides information and communication technology (ICT) resources to teachers and students, and bursary programs to address the shortage of ICT skills. The Vodacom Bursari Vodacom Bursary Scheme started in 1999 through Vodacom's commitment to approaching the lack of ICT skills in South Africa. Since then, 1000 bursaries have been provided, where each year 50 students have been financially helped with bursaries to study in areas in which there is a shortage of skills. Qualified applicants from disadvantaged communities are chosen to study in the ICT and engineering sectors. The following areas of study are accepted in the Vodacom Foundation Bursary: Engineering and Operations: Diploma in Electrical or Electronic Engineering (Light Current) Technology and Degree in related disciplines Information Technology; BSc Computer Science BSc Computer Engineering Information Systems University Diploma and Degree in related disciplines Vodacom Bursary Requirements and Eligibility South African citizen applicants who wish to pursue undergraduate studies in a South African tertiary institution R150 000 passed maximum household income grade 12 of per annum.
